Bangalore.

SIR,

I have the honour to request the sanction of Government to the following additions to the establishment of the Industries and Commerce Department.

1. A draftsman on Rs 60-80. The work in hand now requires a draftsman to prepare plans and there is already sufficient work to keep one fully occupied.

2. An additional clerk on Rs 50/- to assist in the compilation of Statistical Returns of Trade and Commerce and to collect information regarding current prices. It would be well also if this clerk had some knowledge of accounts as expenditure and receipts from experimental work are increasing rapidly.

I have the honour to be,
Sir,
Your most obedient servant,

Alfred Chatterton
